

Job Title: Bench Joiner

Department: Workshop/Construction

Reporting to: Workshop General Manager

Salary: £25-30K subject to experience

Place of work: Avonmouth, Bristol

Summary of the role:

We are seeking an enthusiastic experienced joiner/ cabinet maker to join our team at our new workshop in Avonmouth, Bristol. The candidate should have 5+ years' experience in cabinet/furniture making and joinery.

Key Responsibilities:

- Produce high quality cabinetry
- Produce bespoke wooden doors and windows from working drawings
- Proficient in the safe use of bench joinery machines
- Work as an individual and as part of the team
- Communicating with General manager;
- Ensure all furniture/joinery items meet or exceed client expectations and reflect the goals and aspirations of Moon; and
- Represent and endorse Moon core values and aims in a positive manner whenever appropriate.

Skills and Experience Requirements:

- Able to read plans and drawings and interpret visual instructions;
- Extensive knowledge of materials, methods, techniques and appropriate technologies
- Ability to manage your own workload
- Can-do, problem solving approach – able to offer alternative design solutions where appropriate;
- Able to communicate effectively and clearly with colleagues;
- Adaptable, flexible and versatile - able and willing to approach new challenges and learn from new experiences;
- Self-disciplined, reliable and motivated, with a strong work ethic;
- Able to work competently, confidently and safely with all workshop machinery, power tools and hand tools;
- Ability to work accurately, decisively and independently but also as part of a team; and
- Visit sites when required to survey and/or fit furniture whilst taking due consideration of site specific health and safety issues and client needs/wishes.
